A Public Hearing was held Thursday, November 6, 2014 at the Newfield Town Hall for the purpose of allowing the public to comment on the proposed 2015 Town of Newfield Budget. Present were: Supervisor Hart, Councilperson Laughlin and Councilperson Powers. There were also six others in attendance. Councilpersons James and Trask were absent.

The Public Hearing was called to order at 6:40 p.m. by Supervisor Hart.

Nancy Dolge asked if the budget was on the Town Website. It was reported that after the 2015 Budget was approved it would be posted to the Town Website. Ms. Dolge asked about what had been apportioned to the Planning Board. Supervisor Hart explained that while they did not get the entire requested amount, there were ways to help the Planning Board defray their expenses.

Supervisor Hart thanked everyone involved in the making of the proposed 2015 Town of Newfield Budget.

There being no further comment from the public, Supervisor Hart called the Public Hearing for proposed 2015 Town of Newfield Budget to a close at 6:52 p.m.
