

The Newfield Town Board met for a work session on May 28, 2014. Supervisor Hart called the meeting to order at 4:30 p.m. at the Newfield Town Hall. The Supervisor, Board Members and other attendees then drove to the proposed garbage transfer station on Bishop Road to tour the facility and neighborhood. Present were: Supervisor Jeff Hart, Councilperson Roy Trask, Councilperson Joanne James, Councilperson Christine Laughlin and Councilperson Casey Powers. There were also 8 others in attendance.

Mr. Mente gave a walking tour of the property of the proposed garbage transfer station. After viewing the property and current building facility of the proposed garbage transfer station the Newfield Town Board and attendees gathered at Jeff and Sue Golden's home whose property overlooks the proposed garbage transfer station. After hearing the concerns of the Golden's and viewing the adjacent property, the Town Board returned to the Newfield Town Hall.

Motion was offered by Councilperson Trask to adjourn the Newfield Town Board Work Session in order to move to an Executive Session for a Planning Board interview at 6:41 p.m. and seconded by Councilperson Laughlin.
