

**NEWFIELD TOWN PLANNING BOARD
INFORMATION, RESPONSIBILITIES AND
MEMBERSHIP APPLICATION**

The Newfield Town Board is actively seeking citizen participation on the Planning Board which plays a central role in planning for and developing the Town's future. Please take a moment to review this information before completing the application. If you have any questions or need more information, please feel free to email the Chair of the Planning Board, Leo Tidd at ltidd@newfieldny.org

In March 2007, The Newfield Town Board passed Local Law #1 2007 to establish a Town Planning Board. The Planning Board's first job was to create a comprehensive plan that reflects Newfield's community values, assets and proposes a vision for the future while providing goals, objectives and action steps to implement the plan. Newfield's Comprehensive Plan was adopted by the Town Board on September 12, 2013. The Planning Board has been working to implement the recommendations of the Comprehensive Plan, including site plan review and subdivision review procedures, Newfield Hamlet revitalization planning, and adapting to new land use trends, such as large-scale solar facilities.

There are five members on the Planning Board who are interviewed and appointed by the Town Board. Terms of service are 5 years although, when filling a vacancy, the initial appointment may be for fewer years.

Meetings are currently held on the 1st Wednesday of each month. Special additional meetings are occasionally necessary depending on the projects at hand.
