Superintendent Berggren presented a quote packet from Lime a sub contractor for NYSEG to replace the street lights and Highway Barn facilities with LED lighting.

Water and Sewer Department: Superintendent Berggren reported they had been painting the well houses.

Supervisor Hart asked if any word had been received regarding the leach field project and the well replacement project from Hunt Engineers and TG Miller.

April 12, 2018

Recreation: Recreation Director Dustin James was absent. Councilperson Laughlin reported Shannon LaBarge has been hired as the Summer Camp Director. She will begin councilor interviews soon. Summer Camp will be limited to 75 children. Spring sports programs have coaches in place and will begin April 23rd.

Code Enforcement: Code Enforcement Officer Alan Teeter reported he issued 3 permits in March. CEO Teeter also reported he had just completed his annual 24 hours of in service training. He will be attending training on Clean Energy that can be used in conjunction for NYSERTA grants.

Tompkins County Legislature Report: Newfield Representative David McKenna stated that he awarded a construction bid for stream stabilization for the Ludlowville Bridge, awarded a contract for electronic records for the health department. The Legislature also passed a resolution banning single use plastic bags in Tompkins County.

Planning Board: Planning Board Member Leo Tidd reported the Planning Board had been working on a nuisance law that would include junk, noise and animals and that Site Plan Review application was now on the Website. The Planning Board was presently was working on mapping environmentally sensitive areas. Councilperson James asked for a time frame regarding the nuisance law.

Hamlet Beautification: Bill Chernish reported TCAT was ready to deliver the proposed new bus shelter as soon as a location could be agreed upon.

VanKirk Road Park Committee: Councilperson Laughlin reported Highway Superintendent Berggren is waiting for information from Hunt Engineers. Angel from TCSWC and Dustin James from TG Miller have offered to help lay out the field elevations and measurements.

EMS: Michelle Henry reported on the February presentation of the bike ride and Tompkins County Ride Share, Streets Alive Program and Solar tariff was discussed as well.

Supervisor: Supervisor Hart reported he and Highway Superintendent Berggren have met with TG Miller regarding the new well location project. Availability of funding grants is being looked into. Supervisor Hart also reported he was hoping to begin the leach field improvement in August. He also reported meeting with Verizon to upgrade the Town Hall phone system. Supervisor Hart is hoping to have estimates for Town Hall maintenance by May. Highway Superintendent Berggren commented the Highway Department could do the sidewalks at Town Hall.

New Business

Court Proclamation - Councilperson James read the following proclamation:

Proclamation of Thanks to Justice William Chernish

WHEREAS, William Chernish has brought civic pride to the Town of Newfield through his efforts as Justice in the Newfield Town Court; and

WHEREAS, the Court has become more accessible and convenient for the residents of Newfield with the adoption of flexible hours, an evening court, adoption of partial payment of fines, acceptance of personal checks and credit cards; and,

WHEREAS, the physical improvements made possible in the courtroom through three successful Justice Court Assistance Program Grants along the cooperation of the Tompkins County Department of Probation Service

April 12, 2018

Work Alternative Program have resulted in one of the most attractive and workable courtrooms in the County; and,

WHEREAS, the operational efficiencies introduced by Justice Chernish have improved operations in the flow of cases, expedited case handling and reduced the overall court costs. Justice Chernish now handles the caseload previously overseen by two judges; and,

WHEREAS, the Newfield Town Court has been recognized as adapting to necessary changes by utilizing electronic record retention, communications, as well as with working with other county and state entities, THEREFORE BE IT RESOLVED: the Newfield Town Board and residents wish to thank and recognize Justice William Chernish for the many improvements to the Newfield Town Court.

Angel Hinickle: Tompkins County Soil and Water Conservation - gave a slide presentation of the I4 Pony Hollow Watershed study; this included the back ground report and stream corridor assessment. Highway Superintendent Berggren recognized how much Angel helps the Town of Newfield.

Nexamp Update: John Murphy; Senior VP of Corporate Development updated the construction activities of the community solar project on Millard Hill Road. Mr. Murphy also commented Newfield residents are being offered a 10% savings along with other Tompkins County residents. Councilperson Laughlin asked how many Newfield residents had signed up so far- approximately 30 to date, the system can support 1000 residential customers. Mr. Murphy also stated Nexamp also now owns the 3 LLC's on Millard Hill Rd. Supervisor Hart asked what connection Nexamp has with Delaware River Solar, Mr. Murphy stated other than purchasing the projects from DRS there is no association. It was noted the Town has the decommissioning agreement and escrow funds and the IDA has approved a PILOT agreement. The Town will be responsible to invoice Nexamp for the annual fee scheduled in April of each year for the decommissioning escrow for the next 20 years, as well as providing an annual statement of each account. Councilperson Powers asked how Nexamp was getting the word out; Mr. Murphy replied that Nexamp has been reaching out to local community organizations, mailing directly to residents and also is using trusted third parties. Christopher Perron introduced himself to the Town Board as the Senior VP, EPC. Mr. Perron introduced Nicholas Vamvas, project engineer of record from Chazen Companies to address the Board regarding erosion control and the SWPP. Mr. Vamus reviewed the history of the project regarding previous approvals in its various stages, including the tree and vegetation removal. Tompkins County Soil and Water Conservation have shown concern regarding proposed tree and vegetation removal. Mr. Vamus stated amended plans had been sent to the TC IDA for approval in January 2017, it is unknown if the Town of Newfield received copies of those plans. Supervisor Hart and the Board reviewed the history of the Town and Delaware River Solar regarding the plans, conversations regarding the trees and the ownership of the project with the present representatives from Nexamp. At this time Supervisor Hart and the Town Board are not comfortable approving the SWPP as it is currently presented. Nexamp and Chazen consult with Tompkins County Soil and Water Conservation to revise an acceptable SWPP to the Town for Supervisor Hart's approval.
